ABOUT MONADNOCK HUMANE SOCIETY

Since 1875, [Monadnock Humane Society](#) (MHS) has nurtured the well-being of animals and their human companions. [We provide education, programs, and services that create a healthier, more compassionate community for all.](#) Our shelter, located in Swanzey, NH cares for over 1600 animals each year and serves 44 communities in the Monadnock Region and beyond.

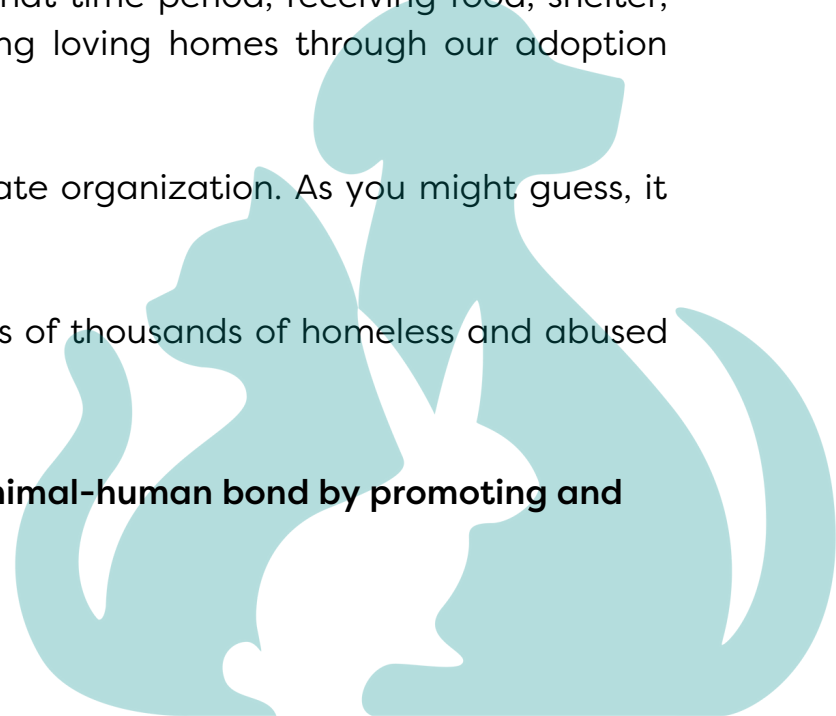

Monadnock Humane Society has been a fixture in the Monadnock Region for more than 146 years. A countless number of animals have passed through our shelter in that time period, receiving food, shelter, and loving care. Over Ninety percent of them have found lifelong loving homes through our adoption programs.

We do not receive financial support from any government or private organization. As you might guess, it takes a lot of money to care for that many animals.

Sponsoring a Monadnock Humane Society Event will save the lives of thousands of homeless and abused animals each year, and will give back to our community.

The mission of Monadnock Humane Society is to strengthen the animal-human bond by promoting and providing for the well-being of animals.

Social Responsibility

What is social responsibility? It is the ethical obligation of an organization to the community in which it exists. At Monadnock Humane Society, we believe it's our social responsibility to care for animals and match them with loving homes. We are also there for humans in need (elaborate ON ASN...)

Do you believe in social responsibility? Would you like to show that your organization values the community as well as the profits earned there?

GIVING TO MONADNOCK HUMANE SOCIETY IS THE PERFECT WAY TO SHOW:

- Your company cares about animals. Giving needy animals a safe, secure environment is the best way to show this.
- Your company cares about people. The majority of people have tender feelings toward animals. Donations are a way to show that your organization shares these values.
- Your company cares about safe neighborhoods. Rescuing abandoned and lost animals wandering in neighborhoods makes both residents and animals safer.
- Your company cares about the planet. Your funds will help to provide affordable spay and neuter services to prevent future generations of unwanted animals.

Summary

Becoming a sponsor of Monadnock Humane Society is a visible and effective way to show you believe in social responsibility to your community.
