

Puppy Play School CONTRACT

This Contract is between the Monadnock Humane Society (“MHS”) Boarding and Daycare facility (hereinafter called the “Kennel”) and the pet owner (hereinafter called the “Owner”). The term “pet” refers to all pets in Puppy Play School with the same ownership.

PET NAME(S):

Please read carefully and initial each item:

_____ 1. I, the undersigned, specifically represent that I am the owner of the pet, or have been authorized by the Owner of the pet to enter into this Contract as the Owner’s agent.

_____ 2. Owner agrees to pay all costs and charges for services provided upon departure of pet from Kennel. Daycare discount packages are available only if paid for in advance. Pre-paid packages are non-refundable. Owner understands and agrees that pet shall not leave the Kennel until all charges are paid by Owner to the Kennel.

_____ 3. All pets entering Kennel must be clean and parasite/flea free. If this is not the case, the pet(s) will be treated at the Owner’s expense, not to exceed \$25.00, with a topical and/or oral treatment unless client has listed a medical reason not to do so.* Pets with fleas or internal parasites will not be allowed in common play areas until 24 hours after medical treatment has been applied.

*My pet cannot receive the following flea or deworming treatment (list all that apply):

4.

Kennel shall exercise due and reasonable care for the pet while in Play School. Owner releases Kennel from, and waives all claims and liability against Kennel for or attributable to, injury or illness of pet. Owner agrees that Owner shall be solely responsible for any and all acts and behavior of said pet while it is in the care of Kennel. This includes damage to kennel structure and/or Kennel property.

5.

Owner represents that pet is healthy and has not displayed signs of or been exposed to any known communicable disease within the thirty-day period immediately prior to boarding/daycare. Upon admission, all dogs must be free from any condition that could potentially jeopardize other guests. Dogs that have been ill with a communicable condition in the last 30 days will require veterinarian certification of health to be admitted or readmitted. Owner agrees to disclose to Kennel all known medical conditions and/or behavior problems that might affect pet's care prior to check-in. Owner shall inform Kennel of any changes in pet's condition and behavior at or prior to check-in for all subsequent daycare stays.

6.

Kennel specifically requires all puppies be vaccinated against communicable diseases at the age guidelines recommended by their veterinarian and have regular booster vaccinations as well as a negative fecal exam. Required canine vaccines are Rabies, DHPP and Bordetella. Kennel reserves the right to refuse admittance to any puppy who shows signs of illness or does not meet Kennel vaccine requirements. Despite these precautions, Owner acknowledges that Owner's pet will be in an environment with other puppies during daycare, and understands that any pet may harbor and spread a communicable disease. Kennel advises Owner to discuss risks and benefits of daycare and available vaccines, other than those required by Kennel, with pet's veterinarian. Owner releases Kennel from, and waives all claims and liability against Kennel for, all losses, damages, costs and expenses arising out of or in connection with any communicable disease contracted by Owner's pet during boarding/daycare.

7.

Owner understands and agrees to abide by Kennel's vaccine policy at all times.

8.

Owner releases Kennel from, and waives all claims and liability against Kennel for, damage to, or loss of, personal equipment or belongings provided by Owner for pet while the pet is in Play School.

9.

Owner understands that Kennel reserves the right to refuse service at its discretion. Kennel does not daycare animals with behavior problems that are deemed a safety risk to staff, other daycare pets, or himself. All dogs attending **Daycare** must be non-aggressive and not food or toy protective. Owner certifies that their dog has not harmed or shown any aggressive or threatening behavior toward any person or other dog. Owner understands their dog will be spending time with other pets and the safety and health of all animals is our main concern. Although dogs are under constant supervision, your dog may still acquire an occasional nip or scratch.

10.

This contract contains the entire agreement between the parties. All terms and conditions of this contract shall be binding on the heirs, administrators, personal representatives, and assigns of the Owner and Kennel.

11.

Any controversy or claim arising out of or relation to this Contract, or the breach thereof, or as the result of any claim or controversy involving the alleged negligence by any party to this Contract, shall be settled by binding arbitration in accordance with the rules of the American Arbitration Association, and judgment upon the award rendered by the arbitrator may be entered in any Court having jurisdiction thereof. The arbitrator shall, as part of his award, determine an award to the prevailing party of the costs of such arbitration and reasonable attorney's fees of the prevailing party.
