# ABOUT MONADNOCK HUMANE SOCIETY

Since 1875, [Monadnock Humane Society](#) (MHS) has nurtured the well-being of animals and their human companions.

MHS delivers vital programs and services that support more than 7,000 animals a year, helping to create a healthier, more compassionate community for all. Located in Swanzey, New Hampshire, our organization serves 43 communities throughout the Monadnock Region and beyond.

For more than 150 years, MHS has been a trusted cornerstone of our region. Countless animals have found safety, nourishment, medical care, and compassionate support through our shelter and community-based programs.

In addition to lifesaving sheltering and adoption services, MHS offers a wide range of innovative programs that strengthen the human-animal bond and support responsible pet ownership. Our award-winning Guinane Training Center provides professional training and behavior support, while our trusted Boarding, Daycare, and Grooming services offer high-quality care for pets in our community. These services help keep animals healthy, supported, and in loving homes.

MHS receives no financial support from state or federal government sources, so we rely on community support.

By becoming an MHS Event Sponsor, you play a direct role in saving lives, strengthening families, and enriching our community. Your partnership helps ensure that compassionate care, education, and second chances remain available for animals and the people who love them.

What is social responsibility? It is the ethical obligation of an organization to the community in which it exists. At Monadnock Humane Society, we believe it's our social responsibility to care for animals and match them with loving homes. We are also there for humans in need through our Animal Safety Net Program, Pet Food Pantry, and low-cost wellness clinics.

Partner with us to build a legacy of social responsibility that speaks to purpose and results. Your financial support isn't just a transaction; it's an opportunity to be part of a movement that leaves a profound impact on our community.

## *GIVING TO MONADNOCK HUMANE SOCIETY IS THE PERFECT WAY TO SHOW:*

- **Your company cares about animals.** Giving needy animals a safe, secure environment is the best way to show this.
- **Your company cares about people.** The majority of people have tender feelings toward animals. Donations are a way to show that your organization shares these values.
- **Your company cares about safe neighborhoods.** Rescuing abandoned and lost animals wandering in neighborhoods makes both residents and animals safer.
- **Your company cares about the planet.** Your funds will help to provide affordable spay and neuter services to prevent future generations of unwanted animals.

**In summary:** Becoming a sponsor of Monadnock Humane Society is a visible and effective way to show you believe in social responsibility to your community.
