Here's what your donation to the Walk for Animals can do for the homeless pets of our community:

\$250 will microchip 40 pets

When pets are lost, this is one of the most effective ways for them to be reunited with their families! Every pet that comes to MHS and is not yet chipped receives one and is fully registered to the new adoptive family.

\$75 feeds 20 dogs or 50 cats for a week

\$50 provides basic medical care for a dog or cat

This is one of the most critical expenses in our vet clinic – prevention and diagnosis. Bloodwork and heartworm or FELV testing can help determine a number of health concerns before it becomes a life-threatening issue. Prevention with rabies/distemper vaccination helps not only the animal, but people.

\$25 covers an intake exam for a dog, cat or small animal

All animals that enter the MHS Adoption Center receive a full health exam (unless they are returned to their owners). Last year, 1,376 animals received health exams at MHS!

The Walk for Animals will be held at the Keene Dillant-Hopkins Airport in Swanzey, NH. In addition to the Walk this year, there will also be a 5K Runway Fun Run held the morning of the Walk. Get started *now* by registering, making a donation, and setting up a fundraising page. Then ask your friends, family, colleagues — anyone who loves animals — to support you by sponsoring your walk. Not only will proceeds raised by Walkers/Runners go directly to animals in need, but you'll also enjoy a t-shirt (register by August 23rd), contests, raffles, vendor village, and more!

Proceeds from Walk for Animals Reimagined go towards the MHS mission and makes lifesaving differences for thousands of shelter animals each year, and supports the people who love them. Your support makes it possible to provide pets in need with safe shelter, medical care, rescue and rehabilitation, boarding and daycare, training services, a pet food pantry, Animal Safety Net program, and most importantly, loving forever homes.
