# START FUNDRAISING FOR MHS WALK FOR ANIMALS!

These step-by-step instructions will guide you through creating your MHS Walk for Animals fundraising page and how to create/join a team. Please also follow these instructions if you are doing the 5K Runway Fun Run!
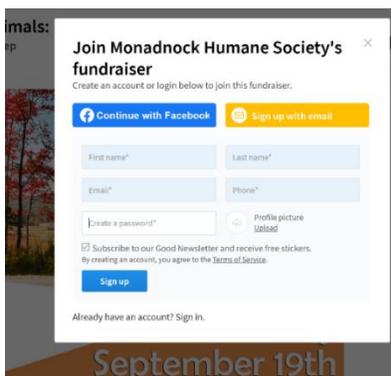

1. Go to MHSWalkforAnimals.com and click on "Fundraise". Please note this button is now located underneath the main banner. You will want to set this up prior to clicking on "Register and Donate" (that way your registration fee can be applied to your (or your team's campaign).

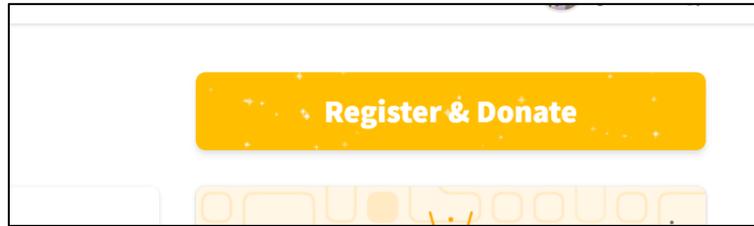

2. You can choose to sign in with Facebook or email. If you already have a GiveButter account (i.e. if you registered for the Hair Ball @ Home you may already have an account) you can sign in using those credentials.

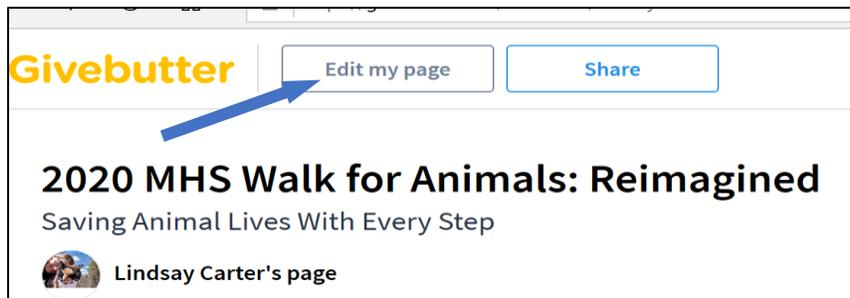

3. Enter your information and click "Sign Up". Give Butter will walk you through a short tutorial, and then bring you to your home page. ***Please Note:*** *All fundraisers must create a "team" or join a team. Even if you are an individual, you will create a team consisting of just you (or invite friends and family to join!). More on Joining a team below.*
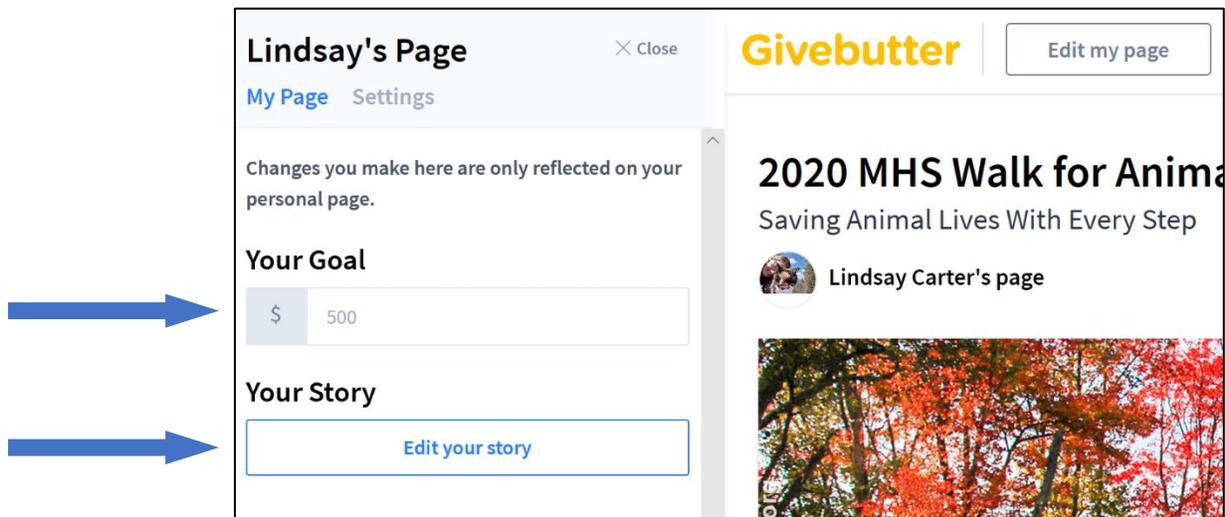

4. Welcome to your Home Page. From here you can begin to fundraise! Click on Register and Donate to register for either the Walk, Fun Run, or both, and to purchase raffle tickets.

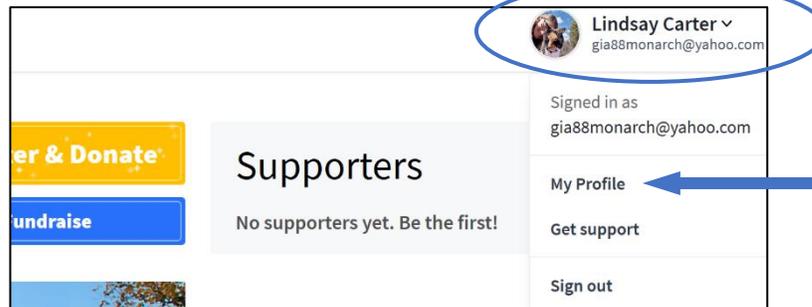

5. We encourage you to personalize your home page.
   🐾 Select "Edit My Page" at the top of your home screen.

🐾 Adjust your goal and share a personal story on your fundraising page. Your friends and family will be much more likely to donate when they see how much you care about MHS.

🐾 You can also edit your profile and upload a profile picture by clicking on your name at the top right side of the screen, then select "My Profile".

6. Be sure to share your fundraising page with everyone you know! Go to your Home Page and select "Share" at the top of the page.

🐾 Then select how you would like to share your fundraising page.

🐾 For sharing via email - we would recommend copying and pasting the link into your personal email and sending it to your contacts that way to avoid the email going into their spam folder.

🐾 Don't forget to share your fundraising page on social media!

If you run into any issues or have any questions, please send an email to teams@humanecommunity.org. We are happy to help.

THANK YOU FOR YOUR GENEROUS SUPPORT!!!

CREATING OR JOINING A TEAM:

🐾 All fundraisers must either create or join a "team", even if you are an individual. If you create a team, please note that you must upload a picture in order to create your team. If you are joining a team, a photo is not required.

🐾 From your home page, select "Fundraise"

* The following box will appear. You can select from the list of already created teams or create a new team.
* Then follow the prompts on the screen.

* Once you join and/or create a team, you will be able to see your team's fundraising goal and check out who else has joined your team.
* If you are the one who created your team page – don't forget to edit your team's page by choosing a fundraising goal and editing your team's story and profile.
* Let your family, friends, and co-workers know to register and join your team to begin fundraising! There will be a prize for the team (must consist of 3 or more people) who raises the most money!

If you run into any issues or have any questions, please send an email to teams@humanecommunity.org. We are happy to help!
